EARL GREY

Our Earl Grey is based on Chinese black tea with the citrus flavour of natural bergamot oil.

PEPPERMINT

Our pure cut Serbian peppermint is naturally caffeine free that makes a refreshing infusion.

BLUE LADY

A variation on Earl Grey, Blue Lady infuses rose scented black tea with grapefruit and citrus.

JAPANESE CHERRY

Japanese cherry tea is made from Sencha flavoured with cherry and blended with rose petals. The mellow flavour of the sencha combined with the soft fruitiness of the cherry produces a mild, refreshing infusion.

SPRING GARDEN

Feel like it's spring all year round with this amazing blend of sencha green tea, berry fruit, vanilla and flowers.

YUNNAN GREEN

Yunnan green tea is grown in the mountains just outside Simao (Pu Erh City). It is made from the Yunnan broadleaf variety, which gives it its distinctive aroma and taste.

APPLE AND CINNAMON

A blend of apples and other dried fruits with cinnamon and other spices. Naturally caffeine free it has the flavour of sweet apple and fruit, with a nice spicy hit.

CHAI ROOIBOS

Chai Rooibos is blended in house at PekoeTea with cinnamon, ginger and other spices to produce the naturally caffeine-free Rooibos version of Indian Masala Chai.

JASMINE YIN HAO

Jasmine Yin Hao is picked in the early spring in the misty mountains of Fujian Province. Only the most tender green buds and select leaves are hand processed. The leaves are then scented naturally with jasmine blossoms.
